*"Coming to the **Life College** sounded like a big step in the beginning but it turned out to be the **adventure of my life.** Sometimes you have to leave behind what you have known since your childhood to really find out who you are. **I've become more confident** not only in my English and everyday-life skills but also character wise. And you just cannot resist falling in love with Scotland!"*

Michelle, 2013

*"The **Life College** was a great experience for me! Not only did I **gain new friendships**, I also learned a lot about myself and others over the 9 months in Scotland. The weekly seminars, English lessons and the placement provided an excellent opportunity **to learn and explore what I wanted to do in the future.**"*

Greetje, 2013
